

When your child comes to Old Oak, they are lucky to work with some fantastic teachers and support assistants. These people work so hard for your child to make the learning enjoyable, and to make as much progress as possible. You know that they are often out on trips to museums and galleries.

However there are a number of other partners we work with regularly and the list below gives you an idea of some of these:

- **Bubble and Squeak**
 - **Imperial College**
- **Queens Park Rangers Football Club**
 - **Tri-Borough Music Hub**
 - **School and Family Works**
 - **West London Zone**
- **Catholic Children's Society Counselling Service**
 - **Creative Futures**
 - **Royal College of Music**
 - **Into-University**
 - **Farms for City Children**
 - **Lyric Theatre, Hammersmith**
 - **School Travel Service (H&F)**
 - **Bike Works**
- **H&F Primary School Sports Association**
- **Centre for Literacy in Primary Education**
 - **Beanstalk Reading Support**
 - **West London Maths Hub**
 - **Urbanwise**
- **H&F Educational Psychology Service**
 - **Coram Life Education Centre**
 - **Fieldworks Education**
 - **Magic Lantern**
- **West London Speech and Language Therapy**
 - **Old Oak Community Centre**

As you can see, the school works with a range of different organisations to make sure that your child receives the broadest and best education. Please ask if you would like to know more information about any of these.

We are still looking for PARENT GOVERNORS so please come and speak to me about the role. The voice of the parents should be heard on the governing body.
