

Old Oak Primary School Newsletter 18th October 2019

Parent Meetings- Monday November 4th

The sign up sheets will be available for you to sign from Monday 28th November outside classrooms. Please find a time in the afternoon of the 4th November for you to meet with your child's teacher and discuss the progress.

I will also approach parents to talk with the leadership team, myself and Miss B. about the school and look for ways to improve. If you would like to do this then please see me at the gate before or after school.

There have been lots of visits this week. This is Laurel class enjoying their time at the Natural History Museum. The visits support either the IPC curriculum or Black History month. They are so important to further inspire and enthuse the children about their learning.

I hope you manage to spend time with your children and take them to some exciting places. For free or cheap things to do please follow the link <https://metro.co.uk/2017/10/16/october-half-term-2017-13-free-or-cheap-activities-to-do-with-the-kids-in-london-this-half-term-6989810/> for some ideas.

Have a great half term!
