Harvest Festival

The children had a great time delivering the harvest hampers to the local residents yesterday. The residents were extremely grateful and thanked the school for the pleasant surprise. I would like to express my thanks for the contributions families made to make this event so successful. We provided a lot more food than last year and more residents were able to benefit from this.

Today the older children have left for their school journey to Wick Court farm in Gloucestershire. The children spend a week at the farm including the weekend and so will have plenty of time to get to know how a farm works. They will also learn a lot about themselves and develop some key life skills. I look forward to the photos! Thanks to all the staff who have given up their time to go.

The children in Key Stage 1 are attending a performance of Little Red Riding Hood at the Royal Opera House today. What a wonderful opportunity to experience a ballet at such a famous place.

Sycamore class performed a ballet to parents yesterday. They worked incredibly hard and learnt a complicated routine to perform. Well done to everyone and thank you to The New English Ballet company who supported this.

The fundraising event for Chad's treatment in the United States raised £797.00! Thank you to everybody involved.

Have a great weekend.

THE DAILY MILE at OLD OAK

Wormwood Scrubs is a wonderful resource to have, literally on our doorsteps. Mr. Smith would like the children to run as many laps as they can, around the football pitches area closest to the school/ community centre, in 15 mins.

Where: Football pitches, Wormwood Scrubs

When: Daily, 8:30-8:45am.

Start date: Monday 18th November

The children can then come to school; get changed into their uniform ready to start the day at 8:55am, with a fresh and awake mind. I will be there to coordinate, and some other staff have expressed their interest to join too.

Any further questions, I will hold an information session in the bottom hall at 9:00am, on Tuesday 12th November.
