

There are three tasks this week. Last week it was about cities and countries in the United Kingdom. This week it is all about European Countries and their flags.

Task 1

Continuing our Geography theme from last week, what do you know about European Countries?

Label the countries on the blank map. Use the European map to help you.

Extension: What are the capital cities of the countries?

Task 2

What do you know about the flags of European countries?

Can you match the European flags to their countries?

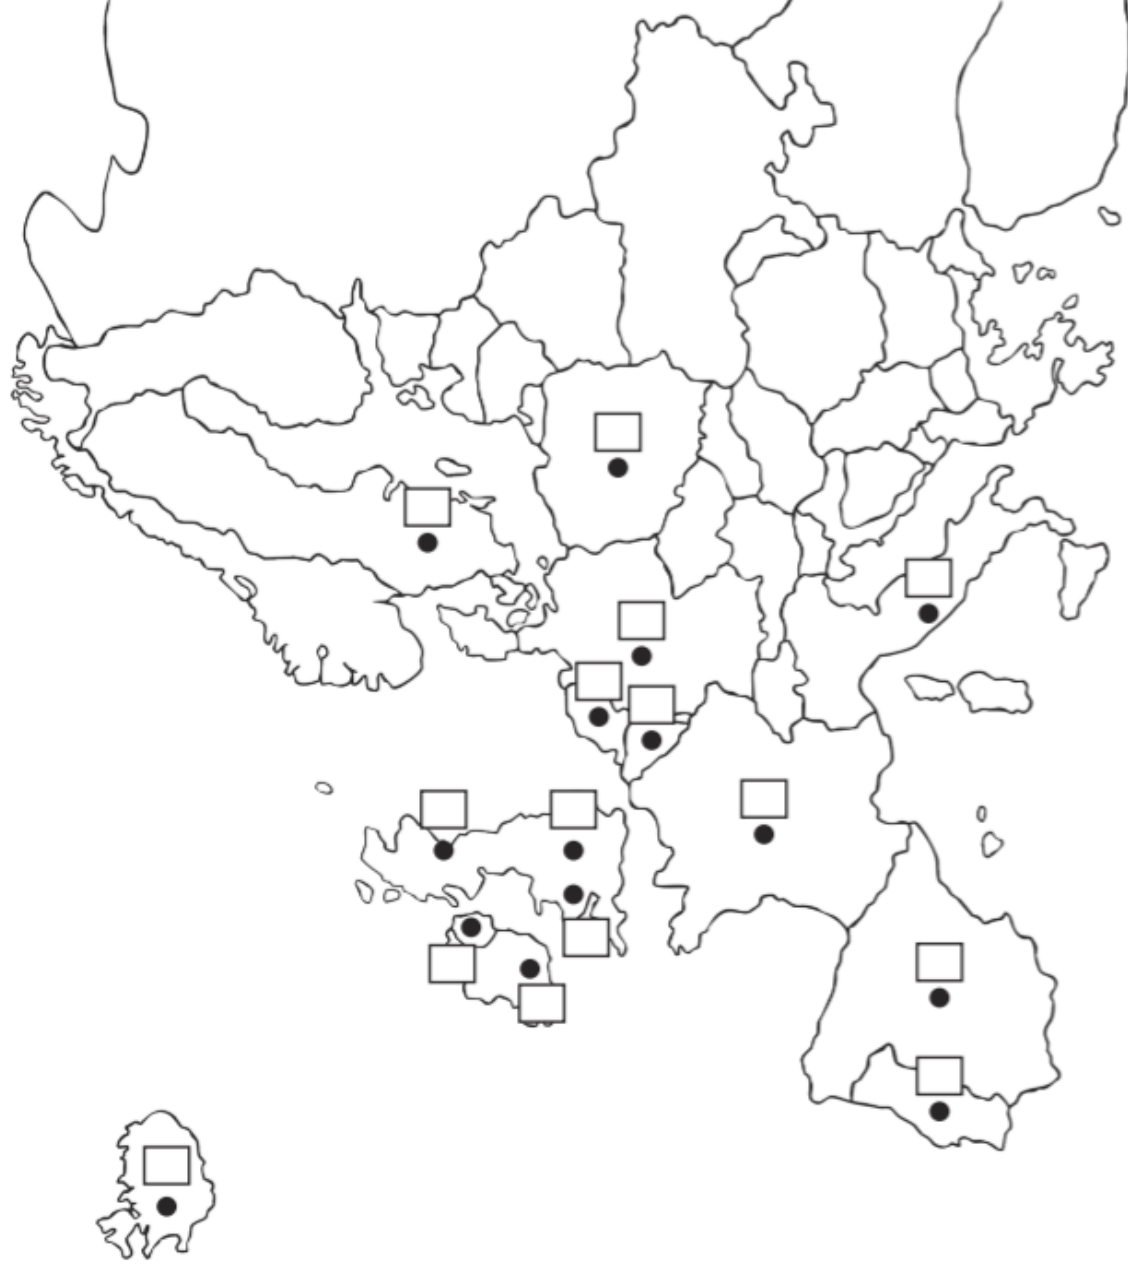

You can check your answers after!

Task 3

If you could design your own flag, what would it look like? Use the blank flag to design your own flag.

If you would rather you can copy the flag of a country you have a connection to.
