

Key Stage 1

Summer Home Learning Pack

It is now officially the summer holidays!

Well done for all the hard work you have done whilst at home – we can't wait to welcome you back to school in September. Make sure you spend the holidays having fun and resting, ready for a fresh start. However, it's a good idea to keep your brain working over the break, and inside here you will find some activities that will help you get ready for a brand new year!

See you soon, KS1 Teachers

Try and spend a bit of time each week practising the 44 phonics sounds.

Try Phase 2, then Phase 3, Phase 4 and Phase 5

You can hear and practise all the sounds here:
