

Key Stage 2 SATS Result July 2024

We are very proud of our results this year. Although they were a strong cohort, the results are nevertheless very impressive and a testament to the hard work of all staff, and especially the year 6 team, Mr. Wheeldon and Fleur.

The school is well above national in all subjects, have impressive numbers of children achieving greater depth in their learning, and our combined score of 76% in reading, writing and maths is a particular success.

There were 26 children in the class. Four children did not sit the tests as they were below the level of the test - as they were either new to English or were in receipt of an EHCP. However, two of our children with an EHCP achieved the national standard and one got greater depth in reading, writing and maths.
