

## Key Stage 2 performance 2018-2019

### Progress in reading, writing and maths

The progress scores relate to the progress all children make. It is now more generally recognised as the better measure of a school performance as it takes into account each child's starting point. The school progress scores are consistently above national average every year. Attainment reflects the results of the tests and does not take into account the children's starting points.

### Progress in 2018-2019:

Subject	Progress	Score	National
Reading	above national average	+ 2.5	0.0
Writing -	national average	+ 1.5	0.0
Maths-	above national average	+ 2.0	0.0
