

## Old Oak Primary School Newsletter 6<sup>th</sup> March 2020

### *Keeping everyone healthy!*

*We continue to follow the guidelines for **Covid 19** (Coronavirus) from the government. At the moment this remains similar to last week but we will inform you as soon as anything changes. The latest advice is below is taken from the Department for Education action plan:*

*“Personal hygiene is the most important way we can tackle COVID-19, especially washing hands more; and the catch it, bin it, kill it strategy for those with coughs and sneezes – also help in delaying the peak of the infection.*

*The action plan is a framework that outlines the types of options open to government in each of these four phases. But this document is only a list of the types of measures we could consider – not those we are planning to implement.*

*Current advice remains in place: No school should close in response to a suspected (or confirmed) COVID-19 case unless advised to do so by Public Health England.”*

*We are speaking with the children about handwashing and looking to provide hand sanitiser, which is proving very difficult to find.*

We hope to have bagels next week in the key stage 1 playground from 8.40am.

### **MEDICINES FROM HOME**

**Can we remind all parents to complete a form to allow the school to give any prescribed medicine to children. This form is your permission for us to do this and means we can keep your child safe.
