

Old Oak Primary School Update – Friday 12th May 2023

Dear families,

Well done to all the children in Year 6 who have completed the ‘SAT’ tests this week. The children have all worked so hard and should be praised and admired for their hard work, resilience, and positive attitude. We know how hard they have worked all year, and this is with the interruption of the Covid lockdown in their Year 3 and Year 4.

The government expects the children to achieve the same as classes who completed the tests before Covid with no interruptions, so they have done magnificently. School is certainly not over – they have lots of work still to do and the leavers’ play to prepare, but it is a significant moment in the year both for them and the school. Have a good rest over the weekend everyone, you have earned it!

DESIGN A CORONATION CROWN COMPETITION

Thank you to all families who put in such effort for the coronation crown competition. The crowns looked fabulous and the children enjoyed wearing them around the school as part of our celebrations. It was so difficult for teachers to choose a winner as there were so many amazing designs but after class votes, the winning crowns can be seen in the photo above. Thank you to all who took part.

OLD OAK CORONATION GARDEN PARTY

Thank you to all the members of Friends of Old Oak who helped out at the event last Sunday. You all contributed to a lovely event. It was great to see so many children there and the weather was fabulous too!

GOOD LUCK – OLD OAK GIRLS' FOOTBALL TEAM

On Monday next week, the semi-final of the Hammersmith and Fulham Mayor's Cup takes place and the girls' football team from Old Oak will be playing. They came a very close second in the league so have qualified for the next stage of the competition. Good luck girls. The boys have had a great season but missed the cut by just 3 points.

ATTENDANCE

Ginkgo class and Aspen class have the best attendance again this week. Of course, all children get ill, but the data shows that there are children in other year

groups who are regularly not in school. This means that these classes are never able to win the attendance cup. We will continue to meet with these families.

NATIONAL ASSESSMENTS COMING UP

There are several assessment points which are approaching. Year 2 have the last SATs assessments ever coming up. These are a lot more low-key than those for the older children, but help to inform the teacher assessments. The Year 1 children have their phonics screening and the Year 4 children their multiplication check in June. All the classes will be gently preparing for these.

CHARITY FOOTBALL MATCH AT LOFTUS ROAD

On Saturday 20th May 2023, the Kiyan Prince Foundation is hosting an exclusive celebrity football match at QPR's Loftus Road Stadium. All funds raised will go directly to the KPF, helping to support **thousands of young people**. **Please see the flyer below.**

We have been allocated **FREE** to give to schools and the club will drop off **50** tickets to the school over the coming week. We will distribute these next week.

These tickets can be allocated to children (under 16, accompanied by an adult) or staff

Date: Saturday 20th May 2023

Kick-off: 15:00pm

Venue: QPR FC, Loftus Road Stadium, South Africa Road, W12 7PJ

DATES FOR THE DIARY
