

## **Old Oak Primary School Update**

**Friday 11th July 2025**

Dear families,

It seems we spoke too soon about the weather. It is very warm again in school today!

Thank you to all the families who attended the Summer Fair. It was real community event and we managed to raise much needed funds for the school. A special thank you to those parents who helped get the fair ready and supported us with clearing everything up. We hope you all enjoyed the activities on offer and we are happy to receive feedback on how we can improve things ready for next year.

Next week is the final full week of term, and the children will have the chance to meet their new teacher on Tuesday. Our Year 6 children will leave us at the end of term. They have their party next week and we will do all we can to make this a memorable time for them. They will certainly never forget their final performance which is really coming together now.

Good luck to the Year 5 children taking part in the Phoenix Sports Day today and to the Old Oak All Stars dance group who are competing in the Dance Energy Showcase at Cadogan Hall this evening.

## **SUMMER READING CHALLENGE**

Even if you missed the event last Saturday, you can still take part in the Summer Reading Challenge with Shepherds Bush library. Please visit the library and ask to join the challenge. Or you can also take part online at the link below.

## **END OF YEAR REPORTS**

We have sadly had problems with the photocopier this week, so the reports will now be issued next Tuesday afternoon. We apologise for this short delay.

## **YEAR LEAVER'S PARTY**

On Friday 18<sup>th</sup> July, the oldest children in the school who are leaving us soon have their party. On this occasion, the children in Year 6 are able to wear their own clothes for the day.

## **YEAR 4 at MUDLARK CELEBRATION EVENT**

Congratulations to Magnolia class who have been working with Urbanwise on a research project looking at plastic waste in London's waterways. This included inspections of the canalside, canoeing on the canal and a collection of plastic waste. They gathered an incredible 24kg of waste on their project and have seen firsthand the impact that plastics can have on our environment. On Tuesday a group of children went to the Riverside Centre to share their research. They spoke very well and were very positive representatives of the school. Well done, Year 4.

## **REMINDER - STREETDANCE WORKSHOPS**

Please explore the street dance sessions which begin at the Family Hub from Thursday, July 31<sup>st</sup>. These are free and will give your child something nice to do over the Summer. Please use this link to book onto the course:

<https://forms.office.com/e/xt86bgXyS4>

### **ATTENDANCE**

The attendance continues to be very poor at the moment. There are a few families with very low attendance and this affects the overall percentage in the class. Perhaps next week we can remove these families from the data and the attendance will look a lot healthier. Lates remain high too.

### **DATES FOR THE DIARY**

<b>Monday 14<sup>th</sup> July</b>	Year 6 Into University workshop
<b>Tuesday 15<sup>th</sup> July</b>	Meet the new teacher
<b>Friday 18<sup>th</sup> July</b>	Year 6 Leaver's Party
<b>Monday 21<sup>st</sup> July</b>	Year 6 Leavers' Play
<b>Tuesday 22<sup>nd</sup> July</b>	Year 6 Leaver's Assembly
	End of term – school finishes at 1.30pm

For photos of the week, please check the school's Instagram page.

Have great weekend!
