

Register of Governing Board members' pecuniary and personal interests

Governors and Associate Members¹ have a legal duty to act only in the best interests of their schools. Where a situation arises in which they cannot do this, due to a business/financial or personal interest they have, steps should be taken to identify, prevent and record the conflict of interest(s).

Declaring potential or actual conflicts of interest is a legal requirement under the School Governance (Roles, Procedures and Allowances) (England) Regulations 2013, as amended. However, making an annual declaration does not remove your requirement to make an oral disclosure of the interest and temporarily leave the meeting, where the interest is relevant to something being discussed.

Register of Governing Board members' pecuniary and personal interests

Governors and Associate Members¹ have a legal duty to act only in the best interests of their schools. Where a situation arises in which they cannot do this, due to a business/financial or personal interest they have, steps should be taken to identify, prevent and record the conflict of interest(s).

Declaring potential or actual conflicts of interest is a legal requirement under the School Governance (Roles, Procedures and Allowances) (England) Regulations 2013, as amended. However, making an annual declaration does not remove your requirement to make an oral disclosure of the interest and temporarily leave the meeting, where the interest is relevant to something being discussed.
