Phonics – Magic e, i-e split digraph

Re-watch the phonics video on the school website “Phonics with Charlie, Magic E, i-e. Put a circle around every word containing the i-e split digraph.

To Riley,

I had to write and tell you all about my trip to Dines Green. At the campsite, there is a park with a big slide. There are also lots of children who I like to play hide and seek with.

We have been on a long bike ride around the town. At the end of the ride, the rain came down in buckets and our wheels began to slide on the road.

Yesterday, the sun began to shine so we flew my new kite. I let the line out so far the kite was a tiny dot in the sky.

Tonight, I will be on a night hike. I hope the stars and moon shine so we can see the way to go.

I cannot wait to see your smile again when I am home.
