Year 3 Spring Term Newsletter 2024

Dear Parents/Carers,

The children in Chestnut have enjoyed their first term in KS2, and have not only become familiar with our classroom routines but are also aware of the high expectations we set in Year 3. The children have returned to school excited to begin our spring term of learning which includes our first class trip in February (further details to follow).

We will continue to be supported in class by Sue. Miss McCartney will teach the class for an hour on Friday mornings while I work on planning and preparation.

This table shows the weekly events in school.

	Monday	Tuesday	Wednesday	Thursday	Friday
Activities in school	PE (come to school in PE kit)		PE (come to school in PE kit)	Music	Computing

PE: Please ensure your child comes to school in the correct PE Kit – trainers, dark shorts/leggings, plain white/navy T-shirt. This term’s PE will be both inside and outside – please ensure that your child wears warm, suitable clothing as the weather gets colder. Mike from QPR will continue to run football lessons on Wednesdays, and the children will be participating in the H&F Artsfest dance programme on Mondays until the February half term, after which I will resume PE teaching on Mondays.

Water bottles: It is vital that your child brings a water bottle to school each day, to ensure they stay hydrated. Please ensure your child has a water bottle with their name on it.

Homework: Homework will be set on Friday afternoons using Seesaw and should be completed by the following Wednesday.

Reading: It is so important to read as much as possible at home – thank you for supporting your child with their reading. Reading books will be sent home weekly. *Please note, your child must bring their reading books in on their designated day for exchanging. Please encourage your child to read to you and discuss the book together.

Music: The children will have a weekly singing assembly and a weekly music session. They will be learning to play the recorder on a Thursday.

Curriculum Map: The curriculum map will be uploaded to the website shortly. This will give you an overview of what the class will be learning this term. If you would like more information, please do not hesitate to contact me.

Thank you for your continued support,
Mrs Cavanagh
