

OLD OAK NURSERY

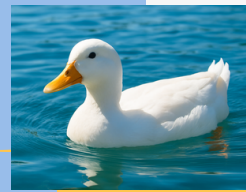

Summer Term

Welcome Back To School!

This term we will be learning about planting and growing.

We will be planting sunflower seeds Next week every Child will bring home their sunflower to grow at home. We will also send home a sponser sheet for friends and family to sponser the sunflower if it grows to a certain height. Any funds rised for Sponser my Sun flower will be used to develop the Eary Years playground adding a water wall. thank you and good luck.

Welcome to Golden Sunburst Class: our new friends:
k Harry
Isis-Neyriti
Che
Victoria
Rosemary

The duckling eggs will be arriving soon and we will watch them hatch, grow, change and develop. It will be adorable and memorable to watch them swim. The Children really enjoyed the Duckling Disco and we raised all the money to purchase the eggs and hire boarding equipment

As the weather warms up please bring a sun hat and a small bottle or sun cream (applied by the child under supervision.) write your child's name on the bottle and give it to a member of safe so we can ensure safe storage.

About Our Class

Seesaw

We are working to activate the comments function on the app, so you can respond to the pictures posted. Please request you code if you of not logged into the seesaw app.

Reception class September 2026 offer

If your child is four before August 31st you should have recieved confirmation of a Reception class place by now, Please remember to ACCEPT the place..

Books and Bookbags

As from 27th April children can choose a library book twice aweek:

Tuesdays and Fridays

Focus on Maths

Numbers are everywhere! It helps your child

1.Count the number of plates you get out at time time and the number of knives and forks.

2.Talk about how heavy or light your shopping is.

3. think about who is to tallest or shortest in the family.

4. what numbers are on your front door, on buses and cars.
