Dear Parents/Carers,

We hope that you and your child have enjoyed the start of the new year. The children have settled into their routine with ease. They have knuckled down to hard work in Maths and English.

This term, Willow class will be having PE on Tuesdays and Thursdays. The class will have a PE session with Mike on Tuesday afternoons and myself on Thursday afternoons. On these days, children can arrive wearing their PE Kit ready for the afternoon session.

Homework will be issued on Friday, and handed in on Wednesday. Spellings will be tested between Wednesday and Friday. Please ensure children are fully engaged with their homework – this will help them prepare for the end of year tests and for life at secondary school.

Your child should be reading every at home every evening for 20 minutes. This does not always have to be fiction books - a wide range of texts can be read (reference books, poetry, magazines, websites etc). In preparation for the year ahead, it is recommended that children brush up on general arithmetic skills. This will help the children to make a smooth start to the term.

Children are actively encouraged to bring a piece of fruit at break times. They will need to bring their own bottle of water to school.

Many thanks,
Mr Wheeldon
