Year 3 Autumn Term Newsletter 2025

Dear Parents/Carers,

The children are settling in well to Hornbeam Class and we are looking forward to a positive Autumn Term of learning. This academic year, we will be supported in class by Cece. Clare will teach the class for an hour on Wednesday afternoons while Ms Crane works on planning and preparation.

This table shows the weekly events in school.

PE: The children will have 2 PE sessions a week. Please ensure your child comes to school in the correct PE Kit – trainers, dark shorts/leggings, plain white/navy T-shirt. This term's PE will be both inside and outside – please ensure that your child wears warm, suitable clothing as the weather gets colder. Mike from QPR will be running football lessons on a Tuesday and Ms Crane will teach PE on a Monday.

Water bottles: It is vital that your child brings a water bottle to school each day, to ensure they stay hydrated. Please ensure your child has a water bottle with their name on it.

Fruit: In Key Stage 2, fruit is no longer provided. We encourage the children to bring in a fresh fruit snack to eat during their break time.

Homework: Homework will be set on Friday afternoons using Seesaw and should be completed by the following Wednesday. On Fridays, the class will be having a weekly spelling test. The spellings will be set as part of the homework on Seesaw, so please support your child in the learning of these.

Reading: It is so important to read as much as possible at home – thank you for supporting your child with their reading. Reading books will be sent home weekly and library books on a Monday. *Please note, your child will be given a designated day on which to bring their reading books back to school for exchanging. Please encourage your child to read to you and discuss the book together.

Music: The children will have a weekly singing assembly and a weekly music session. They will be learning to play the recorder on a Tuesday.

Curriculum Map: The curriculum map will be uploaded to the website shortly. This will give you an overview of what the class will be learning this term. If you would like more information, please do not hesitate to contact us.

Thank you for your continued support,
Ms Crane, Fleur Sutton and Cece Goncalves
